

ABOUT OUR CLUB:

We are a group of people who are interested in historical cars, trucks, motorcycles, and engines. Between them, our members have a great variety of vehicles and motors in various stages of restoration. Our main aim, as a club, is to support each other during the restoration process and enjoy each other's company at rallies, displays, club runs, social gatherings and other motoring events.

Our club is a great source of knowledge and the very best way for anyone interested in an historic vehicle to obtain practical advice, parts and even a bit of "hands on" help. We find it is generally a reciprocal arrangement and the more members we have the more our source of knowledge and expertise grows so we welcome new members eagerly.

Many of our members have their vehicles registered through the **Special Interest Vehicle Scheme**. This is **only available** through membership of a club and a copy of the guide can be found on our website. **Use of vehicles registered under this scheme is restricted to the guidelines listed. Please contact the club for more information.**

Club meetings are held every month. We vary the time, venue and location of meetings to enable as many members as possible to be able to participate.

Please note that the Roma Historical Motor Club Inc, holds a public liability policy for \$20,000,000.
